Our factory tour rules → Turn the page 

A very warm welcome to you as a guest in our company. We are pleased about the opportunity to give you an insight into the exciting world of precision engineering!

Your safety is of our highest interest!

Therefore, please follow the rules listed below:

1. Please do not cross the barriers and stay on the paths.
2. Please follow the instructions of our staff during the factory tour.
3. Watch out for approaching vehicles when crossing the public road to **Station 1** and back.
4. Taking pictures is not permitted! If you wish to review your visit later, you will find a variety of images and illustrations on www.blum-cnc.de.

Thank you
